

Dear Parents,

I hope you have had a positive week. Updates for this week are:

Staffing update – new:

Many of you will have noticed that Miss Reville has not been in school recently, and several parents and children have been asking after her. I wanted to let you know that Miss Reville has recently been diagnosed with breast cancer and is currently taking some time away from school to focus on her treatment and recovery.

For the children, we are simply sharing that Miss Reville is unwell and needs some time to rest and get better. This helps keep the message clear, calm, and appropriate for their age. We know our school community will join us in sending Miss Reville lots of care and support as she concentrates on getting well.

Safeguarding – new

This month, the safeguarding letter covers themes of harmful sexual behaviour and attendance. [June Primary 2026.pdf](#)

Driving into the school grounds – new

I would like to remind families that the school car park is **not available for parent use**, and we kindly ask that you **do not request access** to use it for drop-off or collection at any point during the school day.

This measure is in place to ensure the safety of all pupils and staff, as well as to maintain clear access for emergency vehicles and authorised personnel. Limiting vehicle movement on site significantly reduces the risk of accidents and helps us keep our school environment safe and calm.

We appreciate your understanding and cooperation in following this important safety expectation. Please continue to use the designated parking areas around the school and allow time to walk your child safely onto the premises.
