

Dear Parents,

I hope you have had a positive week. Updates for this week are:

Sports Day – new

We are really looking forward to our KS1 and KS2 Sports Day taking place next Wednesday. The weather is currently forecast to be dry and quite warm, and we are excited to welcome parents to join us for this special event.

Please see a few important reminders below:

- **PE Kit:** Children will come home wearing their PE kit on Tuesday and should wear this to school on Wednesday. They will stay in their PE kit all day and return to full school uniform on Thursday.
- **Sun Safety:** With the warmer weather, please ensure your child brings plenty to drink and has suitable sun protection, such as a hat and sun cream.
- **Drop-off & Entry for Parents:**
 - Children should be dropped off at the usual time.
 - The main gate (school driveway) will open at around **9:00am** for parents to access the field.
 - Once on the field, please stand in the centre so that children can easily come out and move to their activity stations.
- **Access to School Building:** Parents are kindly reminded that entry to the school building is not permitted unless supervised.
- **Photographs:** School staff will be taking photos throughout the morning. For safeguarding reasons, parents are not permitted to take photographs or videos of pupils or share images on social media.

Thank you for your support—we hope you enjoy the morning with us!

Warm weather and uniform – reminder

The temperatures next week are set to rise. During more extreme weather conditions, we ask that:

- children are wearing appropriate sun protection
- children bring a water bottle
- children wear a sun hat

Staff in school adopt a more relaxed approach to uniform in these conditions (temperatures around and upwards of 25 degrees) including not wearing blazers or ties and loosening the top button of school shirts. We encourage pupils to continue to bring blazers to school to support with routines and habits. All classrooms have working fan courtesy of the Parents' Association.
