

Dear Parents,

I hope you have had a positive week. Updates for this week are:

Safeguarding – new

This month's newsletter covers the topics of Water Safety and Personal Safety.

[Spotlight on Safeguarding - July 2026.pdf](#)

Summer Fayre – reminder

Thank you to the families who joined us for the summer fayre this week. I know how much hard work goes into organising this event and appreciate the time and effort this takes. Thank you to the staff for supporting the event and I look forward to continuing to work with the Parents' Association next year on a calendar of events.

Transition – new

Many of our secondary children enjoyed induction days at their new settings this week and the children in school enjoyed some time in their new classrooms with their new teachers. There will be a chance to come in and meet your child's new teacher within the first couple of weeks of the new year starting so please keep an eye out for this date in the newsletter.

Year 4 Class Trip: All Things Wild – message from Mr Barker

Year 4 had a fantastic time on their school trip to All Things Wild where they got to explore all of their learning about classification of animals and food chains in the wild. We enjoyed many activities such as our guided workshop from an animal expert, seeing many animals from mammals to reptiles and amphibians up close, and even went back in time to observe some prehistoric creatures! With such a packed day full of sun and learning, I am sure it will be a trip pupils remember for years to come.

Warm weather and uniform – reminder

We are keeping an eye on the weather and temperatures for the remainder of the term. Staff in school know the procedures in terms of safety measures for keeping the children as comfortable as possible including relaxing uniform as they need to. Please ensure that you support and follow usual routines and expectations for school so that we can keep the environment as calm and typical as we can as we head into the remaining weeks of the school year.

SCHOOL CALENDAR:

<u>What</u>	<u>When</u>	<u>Who</u>
Half term	25.5.26 – 29.5.26	Whole school
