

Being at home

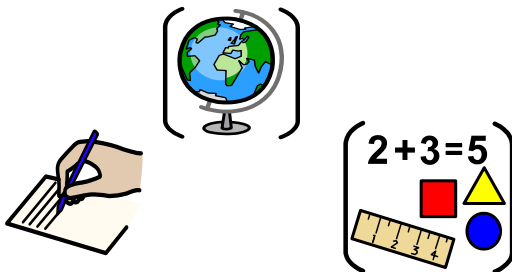

School is closed
because of coronavirus.

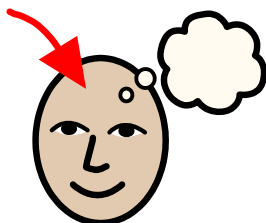

I am staying at home
for now.

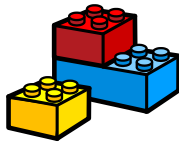

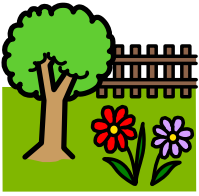

I might not see my
friends.

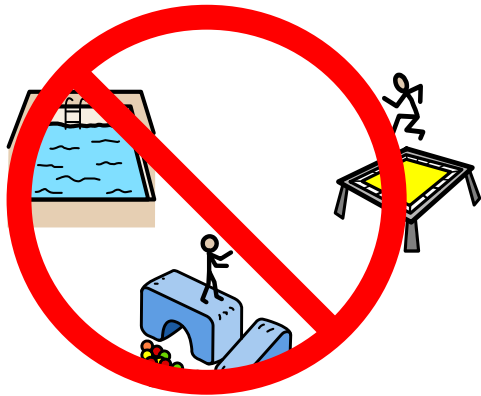

I might do some work
at home.

This will help me learn
new things.

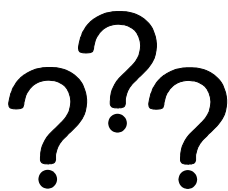

My family will tell me what we will do.

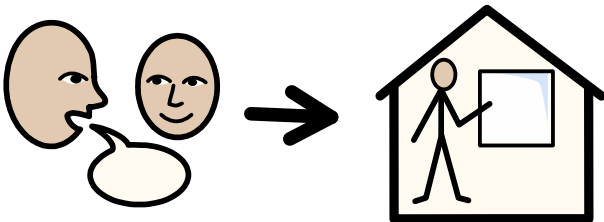

We can't go to our favourite places.

We will wash our hands lots.

I can ask my family questions if I am worried.

My family will tell me when I can go back to school.
