When school is closed

The Coronavirus is a virus that can make people feel unwell.

To stop the spread of the Coronavirus many places have closed. Valley Primary School is one of the places that is closed.

I am not able to visit a place that is closed, so I will not be able to go to school.

I will stay home and complete school work while I am at home.

I will be safe and happy at home with my family.

Once the Coronavirus is gone I will be able to go to school again.
