

# Key Instant Recall Facts

## EYFS: Spring 1

### WALT: know number bonds to 5

By the end of this half term, children in EYFS should aim to know the following facts and if possible, be able to recall them confidently:

$0 + 5 = 5$

$1 + 4 = 5$

$2 + 3 = 5$

$3 + 2 = 5$

$4 + 1 = 5$

$5 + 0 = 5$

$5 + 0 = 5$

$4 + 1 = 5$

$3 + 2 = 5$

$2 + 3 = 5$

$1 + 4 = 5$

$0 + 5 = 5$

### Some Examples:

Numican

### Part Whole Models

### Abstract

$\square + 3 = \square$

### Top Tips:

The secret to success? Practise little and often! Can you learn these on your way to school? On a car journey? Or even at the breakfast table? You don't need to learn them all at once: start with those you are more confident with before tackling the rest. Why not practise whilst keeping active? You could throw and catch or kick a ball whilst learning them!

### Things to Try!

- ✓ Create pictures of ladybirds. Put spots on 2 sides so that they add up to 5.
- ✓ Play bingo. Say a statement e.g.  $3 + \_ = 5$ . If they have the missing number, they can cross it off their card.
- ✓ Play snap with a deck of cards from 0 – 5. Say snap if the numbers are a pair that make 5.
- ✓ Use objects e.g. teddies. Show a number of teddies. How many more do I need to make 5?
- ✓ Throw a ball with a friend/family

### Key Vocabulary:

Add, more, plus, make, altogether, total, equal to count on.

### Key Questions:

Which two numbers make 5?

$4 + \_ = 5$

$0 + \_ = 5$

$5 = 3 + \_$

I have 2 pencils. How many more do I need to get to 5.
